Chardonnay

Central Coast

2013

Blend: 92% Chardonnay, 12% Pinot Blanc

Tasting Notes

On the nose, one can find crisp aromas of Fuji and Granny Smith apples, D’Anjou pear and hints of honeysuckle.

Fruit forward flavors of ripe Pineapple combine with a light body and crisp, well rounded mouthfeel.

Production

Our 2013 Central Coast Chardonnay was blended from multiple vineyards throughout the beautiful Central Coast of California, including the Dijon clones 76 and 96 we have planted on our estate.

This Chardonnay was fermented in both stainless steel, as well as new and neutral oak barrels. The stainless steel fermentation lends crispness, varietal characteristics and fruit intensity. The barrel fermented portion of this blend lends creaminess, subtle complexity, and hints of sweet oak flavors
